

## MEMORANDUM OF UNDERSTANDING (MoU)

between

Department of Civil Engineering, Aliah University, Kolkata, West Bengal

And

Camellia School of Engineering & Technology, Barasat, Kolkata, West Bengal

The Department of Civil Engineering, **Aliah University, Kolkata, West Bengal** and the Department of Civil Engineering, **Camellia School of Engineering & Technology, Barasat, Kolkata, West Bengal** hereby agree to sign this **Memorandum of Understanding (MoU)** to collaborate between themselves to enrich the teaching-learning process, by focusing on the following points for achieving academic excellence for both the Institutions:

1. Student and faculty exchange programs
2. Joint Research Work, Research Guidance and Publications
3. Joint Seminars, Workshops and Conferences
4. New Laboratory Development
5. Assistance in Quality Enhancement Drives

This collaboration will help the students as well as the faculty members to get the opportunity to exchange ideas with their peers as they will get the platform to participate in Inter University Academic endeavours.

**Dr. Indranil Mukherjee**, Associate Professor & Head, Department of Civil Engineering, Aliah University, Kolkata, West Bengal and **Mr. Soumya Mitra**, Assistant Professor & HOD, Department of Civil Engineering, Camellia School of Engineering & Technology, Barasat, Kolkata, West Bengal will coordinate with regard to implementation of this MOU.

This understanding will be valid for **one and a half years** from the **effective date** of this MoU and either party will be at all liberty to terminate this MoU by giving **3 (three)** months prior notice in writing to other. However, it has also been understood by both the parties that earlier termination of this MoU, shall not prevent the procedure to complete all ongoing programs which includes completion of research projects, or any such program and/or activities started prior to issuance of such notice, unless otherwise agreed by the parties herein.

Nothing in this Memorandum shall be considered as creating any contract, partnership, agency or other legal relationship between the parties. This Memorandum is only a non-binding statement of intent to foster genuine and mutually beneficial collaboration from the academic point of view and has got no financial obligation on the two departments entering into MoU.

Once read the document and the parts being in agreement with the content and scope of their declarations, as it is signed in originals, in Kolkata on the **27th Day of August, 2024**.
